

About us

We are an Irish owned and managed company operating in Valencia, Spain, since 2012. The CSS team includes qualified secondary school teachers of Spanish from both Ireland and Spain. Classes are given by native, experienced Spanish teachers familiar with the Irish curriculum.

We also operate 2 language academies in Valencia, teaching English to Spanish students, from kids to adults, through the *Native English Valencia* brand.

Testimonials

My son Daniel has just spent a wonderful three weeks at CSS. He enjoyed and learned from the experience so much that we are sending him back next year. I found CSS staff to be highly professional. The programme is very good value as my son had excellent tuition, a wonderful array of activities and a lovely host family. I was particularly impressed by CSS' understanding of the Irish Junior and Leaving Certificate Spanish courses which is very helpful for Daniel's academic progress at home.

Glenda G., mother, Google Review

"Ailbhe really did have a great time, I'm sorry now that I didn't book her for 3 weeks. Thanks for looking after her so well. She has 3 younger siblings and I would be keen to send them also when their time comes. Thanks again."

Anne F., mother, Dublin

"110% recommend this course to anyone who's studying Spanish at Junior/Leaving Cert level and their teachers! We had a great time! ¡Lo pasamos fenomenal! Hoping to go back again next year! Have a read of our blog of our 3 weeks in Valencia!"

**Gemma Duffy, Secondary School Spanish Teacher,

Evening	Dinner with host family							

Classes

 Students study for 4 hours every morning. Classes are taught by native, qualified Spanish teachers. Maximum 10 students per class

Excursions

 Students go on full day excursions every weekend. Excursions include such places as the City of Arts and Science or to experience the thrill and fun of the Aquopolis waterpark.

Dinner

 Students return home every evening to dine with their host families. In Spain, families tend to eat dinner later in the evening – around 9pm.

Activities

 Students can participate in a variety of activities. These include beach volleyball, swimming, surfing, kayaking and indoor rock climbing
