

Benefits of the programme

- > **Language skills:** 100% immersion among native speakers is the best way to learn a language and the programme gives participants a 24/7 environment in which to really make progress in Spanish
- > **Personal development and growth:** TY is considered to be a year for self discovery, independence and maturity and the experience of living and studying abroad for the first time is undoubtedly an excellent way to promote such growth.
- > **Fun!!!!!!:** New can be daunting but it can also be fun and the programme and CSS Valencia staff help students to realise their potential to thrive in a completely new environment.

A truly unforgettable experience that course participants hold with them for the rest of their lives.

About us

We are a family run Irish owned company operating in Valencia, Spain, since 2012.

We organise Spanish language programmes in Valencia for English speakers both during the academic year and in summer. Classes are given by native, qualified and experienced teachers who are familiar with the Irish curriculum.

Testimonials

"I just wanted to thank you so much - Jamie Lee really enjoyed her stay thoroughly in Valencia. Her host family was very welcoming, the activities were great and the classes really good. Everything was so well organised - it was lovely to get photos all the time - and all the teachers, monitors and everyone were so kind."

Caroline, parent of TY November 2025 Student

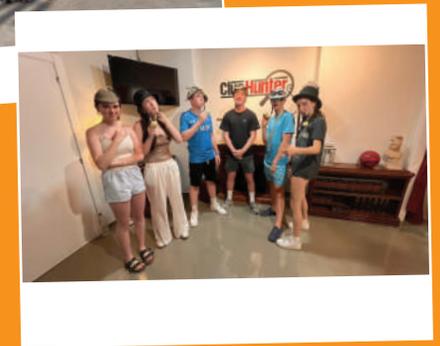

"Thank you so very much for everything, Zoe has wonderful memories and improved the Spanish too. Also, to say her host mum was incredible and looked after Zoe so well, for this we are extremely grateful too. I would recommend to anyone and hope that Harry my son will do it in a couple of years."

Elaine, Parent of TY March 2025 student

"Sean is settling back home nicely although missing the glorious weather and all the new friends he made in Valencia. Thank you so much for all your help in making his three weeks there such a great experience. Please pass on our sincere appreciation to Pilar, his host Mum too, she was very good to him!"

- 3 week course: €2600 (excluding flights)
- 4 week course: €3275 (excluding flights)

Option 2 - TY Secondary School Course

Students have the opportunity to attend secondary school in Valencia, Spain. They will follow the Spanish curriculum and live with a student who attends the same school as them. They will also have an hour of private Spanish class per day to help focus on their language learning. Evenings and weekends will be spent with their Spanish families immersing them completely into Spanish life!

Dates:

Students have the option to choose the dates that suit them for this course – dates will need to be confirmed by the school.

Price:

4 week course: €2700 (excluding flights)

Option 3 - Combination

A combination of both courses gives students the best of both worlds as it allows them to build up their language skills in the intensive course before heading into a secondary school to begin their experience there.

All courses include:

- > Transfers from airport to host family
- > Accommodation and full board with host family
- > All course material
- > 24 hour contact number
